

SEVEN DRAGON STUDENT SUPPLY LIST

Welcome to the team everyone! We are looking forward to doing great things together next year. By now your school supplies must be pretty worn out, so it is probably time to restock for fall. You will need the following items on the first day of school. Please do note that if finances prevent you buying all these items immediately it is best to not buy alternative things. Let your homeroom teacher know when you come to school and we will work out a plan to make sure you have what you need.

- _____ Two 1 inch heavy-duty three ring binders
- _____ One heavy-duty 1 1/2 inch binder
- _____ Three sets of tabbed dividers
- _____ A supply of binder paper (We also recommend hole reinforcers.)
- _____ Four single subject notebooks
- _____ A supply of pencils
- _____ Blue or black pens
- _____ Erasers
- _____ Colored pencils: These are used quite regularly. We will also be doing a large map project at the beginning of the year that will go through colored pencils pretty quickly.
- _____ A metric ruler
- _____ A package of 3 by 5 index cards
- _____ An inexpensive basic function calculator
- _____ A thick black marker with no odor: It should not have a metal body, because they all have a high odor.
- _____ A fine point black pen, a Roller writer or Pilot is good
- _____ A black *fine point* Sharpie marker
- _____ A black regular point Sharpie marker
- _____ Highlighters

We will begin the year with real lessons and it is a good idea for you to have your supplies with you right away.

Have a great summer. Read a good book, play music, eat outdoors, gaze at the stars, ride a roller coaster, help with household projects, or do whatever it is that makes you happy and strong and come back August 30th ready to go. We look forward to getting to know you then!
