Club Descriptions

German Club - Have you ever wondered what you are really saying when you say "Gesundheit!" after someone sneezes? Come to the German club to share the answer to this question. We will also learn more about the German language, culture, and traditions

Guitar Ensemble - We are looking for guitar and bass player to join the Timberlane Guitar Ensemble!

Knitting - Come learn how to knit. If you have your own knitting needles or yarn, please bring them along.

Lego Club - Do you enjoy building with Legos? Join Lego club and come build your own creations. Legos will be supplied, please leave yours at home.

Math Club - Do you love math? Do you need help with math? Then Math Club is for you! At Math Club, you can do fun math activities that you love, or you can get extra help with math that you don't understand. Give it a try!

Newspaper - Writers, artists, and photographers are needed! Come create the school newspaper for all to read!

Open Computer Lab - Practice your computer and/or animation skills with Scratch, Alice, Animationish, and other programs. All students and teachers are welcome!

Quilting Club - Would you like to learn how to quilt? Come create a holiday wall hanging, which would make a great present for someone special! Adults are welcome to join!

SCRATCH - SCRATCH is a new computer program that allows you to create your own stories, animations, games, music, and art. Please sign up at room 1504, there is a limit of 22 students!

Ultimate Frisbee - Do you enjoy playing Frisbee? Do you want to learn how to play Frisbee? Join us on Tuesdays and Wednesdays after-school to play ultimate Frisbee. Please be sure to bring some water!

Yo-Yo and Juggling - Come show off your own yo-yo tricks or join us to learn some yo-yo tricks. Have you ever wondered how people juggle, come learn the secrets behind juggling.
