Timberlane Regional Middle School
Summer Enrichment Program 2010

July 12-15 and July 19-22
Monday—Thursday, 8 am -12 pm, @TRMS

The TRMS Summer Enrichment Program will include individualized instruction in the following areas to target a student's needs. Students may select one of the two week courses in either Math or Language Arts, or select one or two of the one week courses in Art and Technology.

Language Arts

Reinforce and enrich literacy skills, with a focus on comprehension strategies and writing. Course will include reading short, high interest literature with opportunities for creative writing. Offered as a 2 week course only

Math

Practice problem solving strategies with hands on math activities. Students will reinforce math concepts and/or be challenged to solve problems using technology. Offered as a 2 week course only

Art

Spark your creativity and work on a digital photography project or a ceiling tile mural. 1 week course offered July 12-15

Technology A

Learn how to program with the MIT Scratch program (offered Week 1) or how to make videos with Moviemaker (offered Week 2) Offered as 1 week courses

Technology B

This short course will cover the world of blogging, web-page design, and chat-based (Instant message) dialog for the classroom between students and teachers. Offered as a 1 week course

**Cost: \$50 for one 2-week course or two 1-week courses
\$30 for a 1 week course only**

Please complete the form below and return with payment to the TRMS front office by June 16, 2010.
